State of geomorphological research in 2020

1st Announcement

Invite you to the international conference

April 28 – 30, 2020 in Horní Bečva (Czech Republic)

Dear colleagues,

We would like to announce and cordially invite you to the annual international conference **State of geomorphological research in 2020**. Forthcoming event is **organised bilaterally** and should be perceived as the common conference of both Czech Association of Geomorphologists and Association of Slovak Geomorphologists. Moreover, for the Czech Association of Geomorphologists it will be a **round anniversary – 20th** in the line of meetings, which started in 2000. For the Association of Slovak Geomorphologists, it will be the 11th biennial meeting.

The thematic scope of the conference traditionally covers all geomorphological disciplines as well as those of related geosciences. The conference will culminate with a whole-day field trip. We hope the conference will be interesting and inspiring and we are looking forward for your valuable contributions.
